

## **ENGLISH LANGUAGE SYLLABUS (2006) CHULALONGKORN UNIVERSITY LANGUAGE INSTITUTE**

Chulalongkorn University Language Institute offers 72 English courses which can be grouped under seven categories: Consolidating Skills in English, Foundation English (FE), English for Academic Purposes (EAP), English for Occupational Purposes (EOP), Advanced English (AE), Elective English (EE) and Graduate English (GE). The first six are offered at the undergraduate level and the last one is designed for graduate students.

### **1. Consolidating Skills in English**

Consolidating Skills in English is compulsory for all first-year Fine and Applied Arts students. It is a preparatory course designed to brush up on their English so that they are prepared and equipped with adequate language skills to study other English courses with confidence.

### **2. Foundation English (FE)**

Foundation English is compulsory for all Chulalongkorn University students except Arts students. It is aimed at providing basic language skills, including study skills and communication skills, needed for further university study and for communication purposes.

### **3. English for Academic Purposes (EAP)**

English for Academic Purposes, required of second- and third-year students in some faculties, is aimed at developing the linguistic abilities necessary for the advancement of knowledge in a student's specialized field.

### **4. English for Occupational Purposes (EOP)**

English for Occupational Purposes, required of first-, second- and third-year students, is aimed at equipping students with English language skills needed for their future careers.

### **5. Advanced English (AE)**

Advanced English is required for third- and fourth-year students. It aims to provide students with more advanced skills in English needed for their future careers.

### **6. Elective English (EE)**

Elective English courses accommodate individual students' interests and needs.

### **7. Graduate English (GE)**

Graduate English courses are aimed at developing skills in English which students need to succeed in their academic work in a faculty or an interdisciplinary program at graduate level, and in their professional fields.

Along with the instruction inside the class, students are required to do independent study and to further practice their English language skills in the Self-Access Learning Center or on the Website.
