Policy

PASAA Journal is the oldest professional ELT journal in Thailand. Two issues are published annually. The journal aims to present information and ideas in the following areas:

- * Issues in language teaching and learning
(theoretical and practical aspects)
- * Curriculum design and development
(methods, materials and techniques)
- * Testing and evaluation
- * Teacher training
- * Reviews
- * Brief reports and summaries
- * Research

Original submissions which are directly related to English teaching in Thailand are preferred. We also welcome manuscripts which contribute to the improvement of English language teaching in general.

No payment will be made for any contribution, but authors will receive two copies of the journal in which their article appears.

The views expressed in PASAA are those of the contributors and not necessarily shared by the Editor, Readers, Editorial Panel, or Publisher.
